"317.10 Notwithstanding the provisions set forth in this Act, the amounts listed below associated with increased general fund spending within this agency shall be immediately unallotted upon enactment of these appropriations from the applicable Items of this agency and any other relevant Item of this act. Further, notwithstanding the provisions of this Act, any language associated with the spending listed below shall not be applicable unless, after such unallotment, a base amount of funding remains to which such language would be applicable or unless such language previously appeared in Chapter 854, 2019 Acts of Assembly. Any amounts referenced within any other Items of this Act that reflect or include the spending amounts listed below shall have no effect. These amounts shall remain unallotted until re-enacted by the General Assembly after acceptance of a revenue forecast that confirms the revenues estimated within this Act. No agency shall spend, commit, or otherwise obligate the amounts listed below from any source of funds for any of the purposes stated below or any other funds that may be unallotted.

- Removed increases for almost all new funding!
- Home visiting, Adult Dental, various rate increases, FAMIS MOMS post partum coverage
- Removed \$200 Million ish over the biennium;

Amendment 83: Unallot spending increases in response to potential revenue shortfall (Item 321.10 - DBHDS)

- Cut the ACEs experience initiative

Amendment 84: Unallot spending increases in response to potential revenue shortfall

- Cut funding for STEP-VA

Amendment 89: Unallot general fund FMAP savings (DSS)

(This amendment requires that DSS identify all state savings associated with the federal government increasing the federal Medical Assistance Percentages (FMAP) rate (to 56.2%). This enhanced rate increases the federal match rate for Title IV-E foster care and adoption services, which reduces the amount of general fund needed to support current service levels. Any identified funds can be unallotted and reserved for reprogramming by the Governor and the General Assembly at the 2021 session. This language is included in HB 29 and HB 30.)

Amendment 92: Amend language at the Department of Social Services to reflect identical language at the Department of Education

"F. The Superintendent of Public Instruction shall convene a work group to develop and establish a plan to transfer the Child Care Development Fund grant from the Virginia Department of Social Services to the Virginia Department of Education no later than July 1, 2021. The work group shall include representatives of (i) the Secretariats of Education and Health and Human Resources; (ii) relevant state agencies, including the Department of Planning and Budget, the Office of the Attorney General, the Department of Education, and the Department of Social Services; (iii) relevant regulatory boards, including the Board of Education; and (iv) the House Committee on Appropriations and the Senate Committee on Finance and Appropriations. The goal of this transfer is to house responsibility of child care and education programs under one agency. The plan shall be submitted to the Governor, the Chairs of the House Appropriations and Senate Finance and Appropriations Committees, and Director of the Department of Planning and Budget no later than August 15, 2020. Such plan shall confirm the funding amounts and positions that need to be transferred between the impacted agencies, and shall identify any savings or additional costs associated with the transfer of these programs. The review shall also assess any potential administrative impacts on the Department of Social Services and the Department of Education."
