How to remember the 5 PROTECTIVE FACTORS that make your family strong.

1. **Finger** represents Knowledge of Positive Development.
   - Middle Finger: Social Connections because it should never be weak or absent.
   - Index Finger:因为作为第一根手指，它代表了我们的积极情绪。
   - Ring Finger: Self-Esteem because it is the smallest finger, reminding us that we all need help sometimes.

2. **Finger** in Times of Need.
   - Pinky Finger: In times of need, because it is often used to retain something.

3. **Finger** represents Respect and Responsibility for Children.
   - Pinky Finger: Respect and Responsibility because it is the last one, reminding us that we all need help sometimes.

4. **Finger** represents in the Need for Support.
   - Pinky Finger: Support because it is the last one, reminding us that we all need help sometimes.

5. **Finger** represents in the Need for Support.
   - Pinky Finger: Support because it is the last one, reminding us that we all need help sometimes.
